

TopBrewer Lookbook

Technology Companies

Level up your coffee experience with TopBrewer.

TopBrewer combines a hyper-personalised, human-centric and meaningful experience with great coffee and the latest in connected & touchless technology.

ADOBE

Location: White Collar Factory, London

Designer: Gensler

Installed: 2017

7 TopBrewer Pro Series

Size: 750-1000 employees

Adobe wanted a space that would encourage spontaneous collaboration and social interaction. They installed 7 TopBrewer coffee machines throughout their neighbourhoods as an enabler of chance conversations and to provide a barista-quality coffee experience for staff and guests.

SALESFORCE

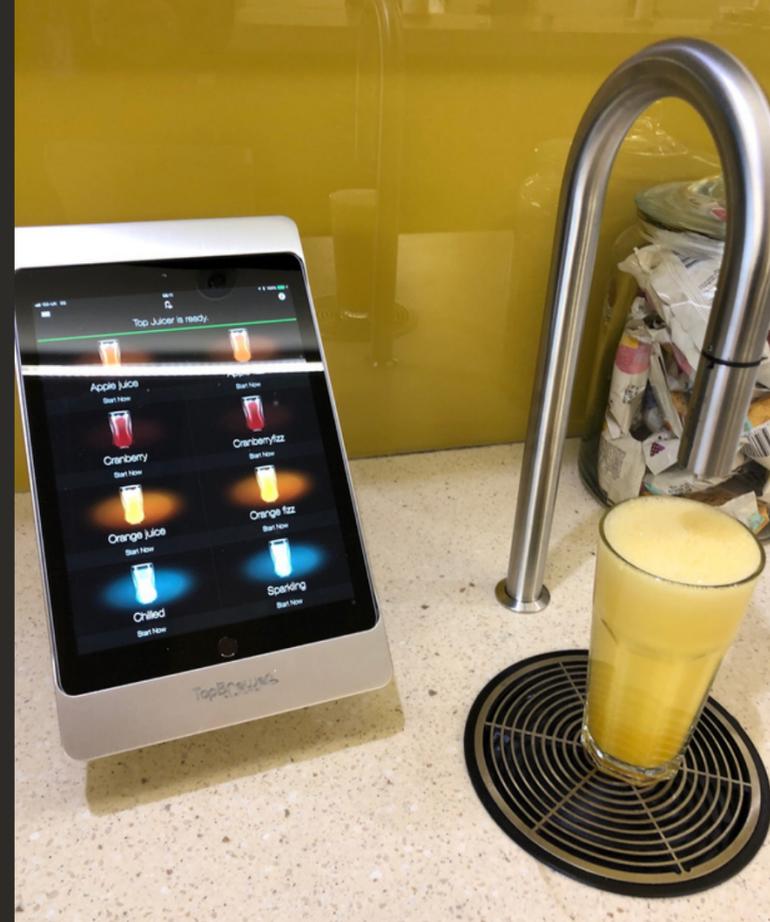

Location: St Mary Axe, London

Installed: From 2018

6 TopBrewer Pro Series & 1 TopJuicer

Typical daily output: 145 drinks per machine

Salesforce's London HQ, located in the prestigious Salesforce Tower, was designed with innovation at its core. They chose to install 6 TopBrewer Pro Series and 1 TopJuicer throughout the space to deliver a memorable experience for their staff.

MICROSOFT

Location: Amsterdam, The Netherlands

Designer: Sevil Peach and Veldhoen + Company

Size: 750-1000 employees

For their HQ in Amsterdam, Microsoft wanted to create a hub that would welcome staff, guests and clients and promote collaboration and teamwork. TopBrewer delivers a first-class, memorable coffee experience without compromising on drink quality or design aesthetics.

HIBOB

Location: Clerkenwell, London

Installed: 2022

1 TopBrewer Pro Series

Hibob's bright and spacious office has everything you could need from the workplace, including access to top-quality coffee. TopBrewer is stylishly integrated in their main breakout space at the centre of the office to serve barista-quality coffee for employees and guests.
