Why Workplace Coffee & Wellbeing Matters

Creating spaces that bring people together

Barista-quality coffee.

Premium design.

Better experiences, every day.

More than a coffee break

76% *of office workers say that coffee, tea & refreshment facilities are important.

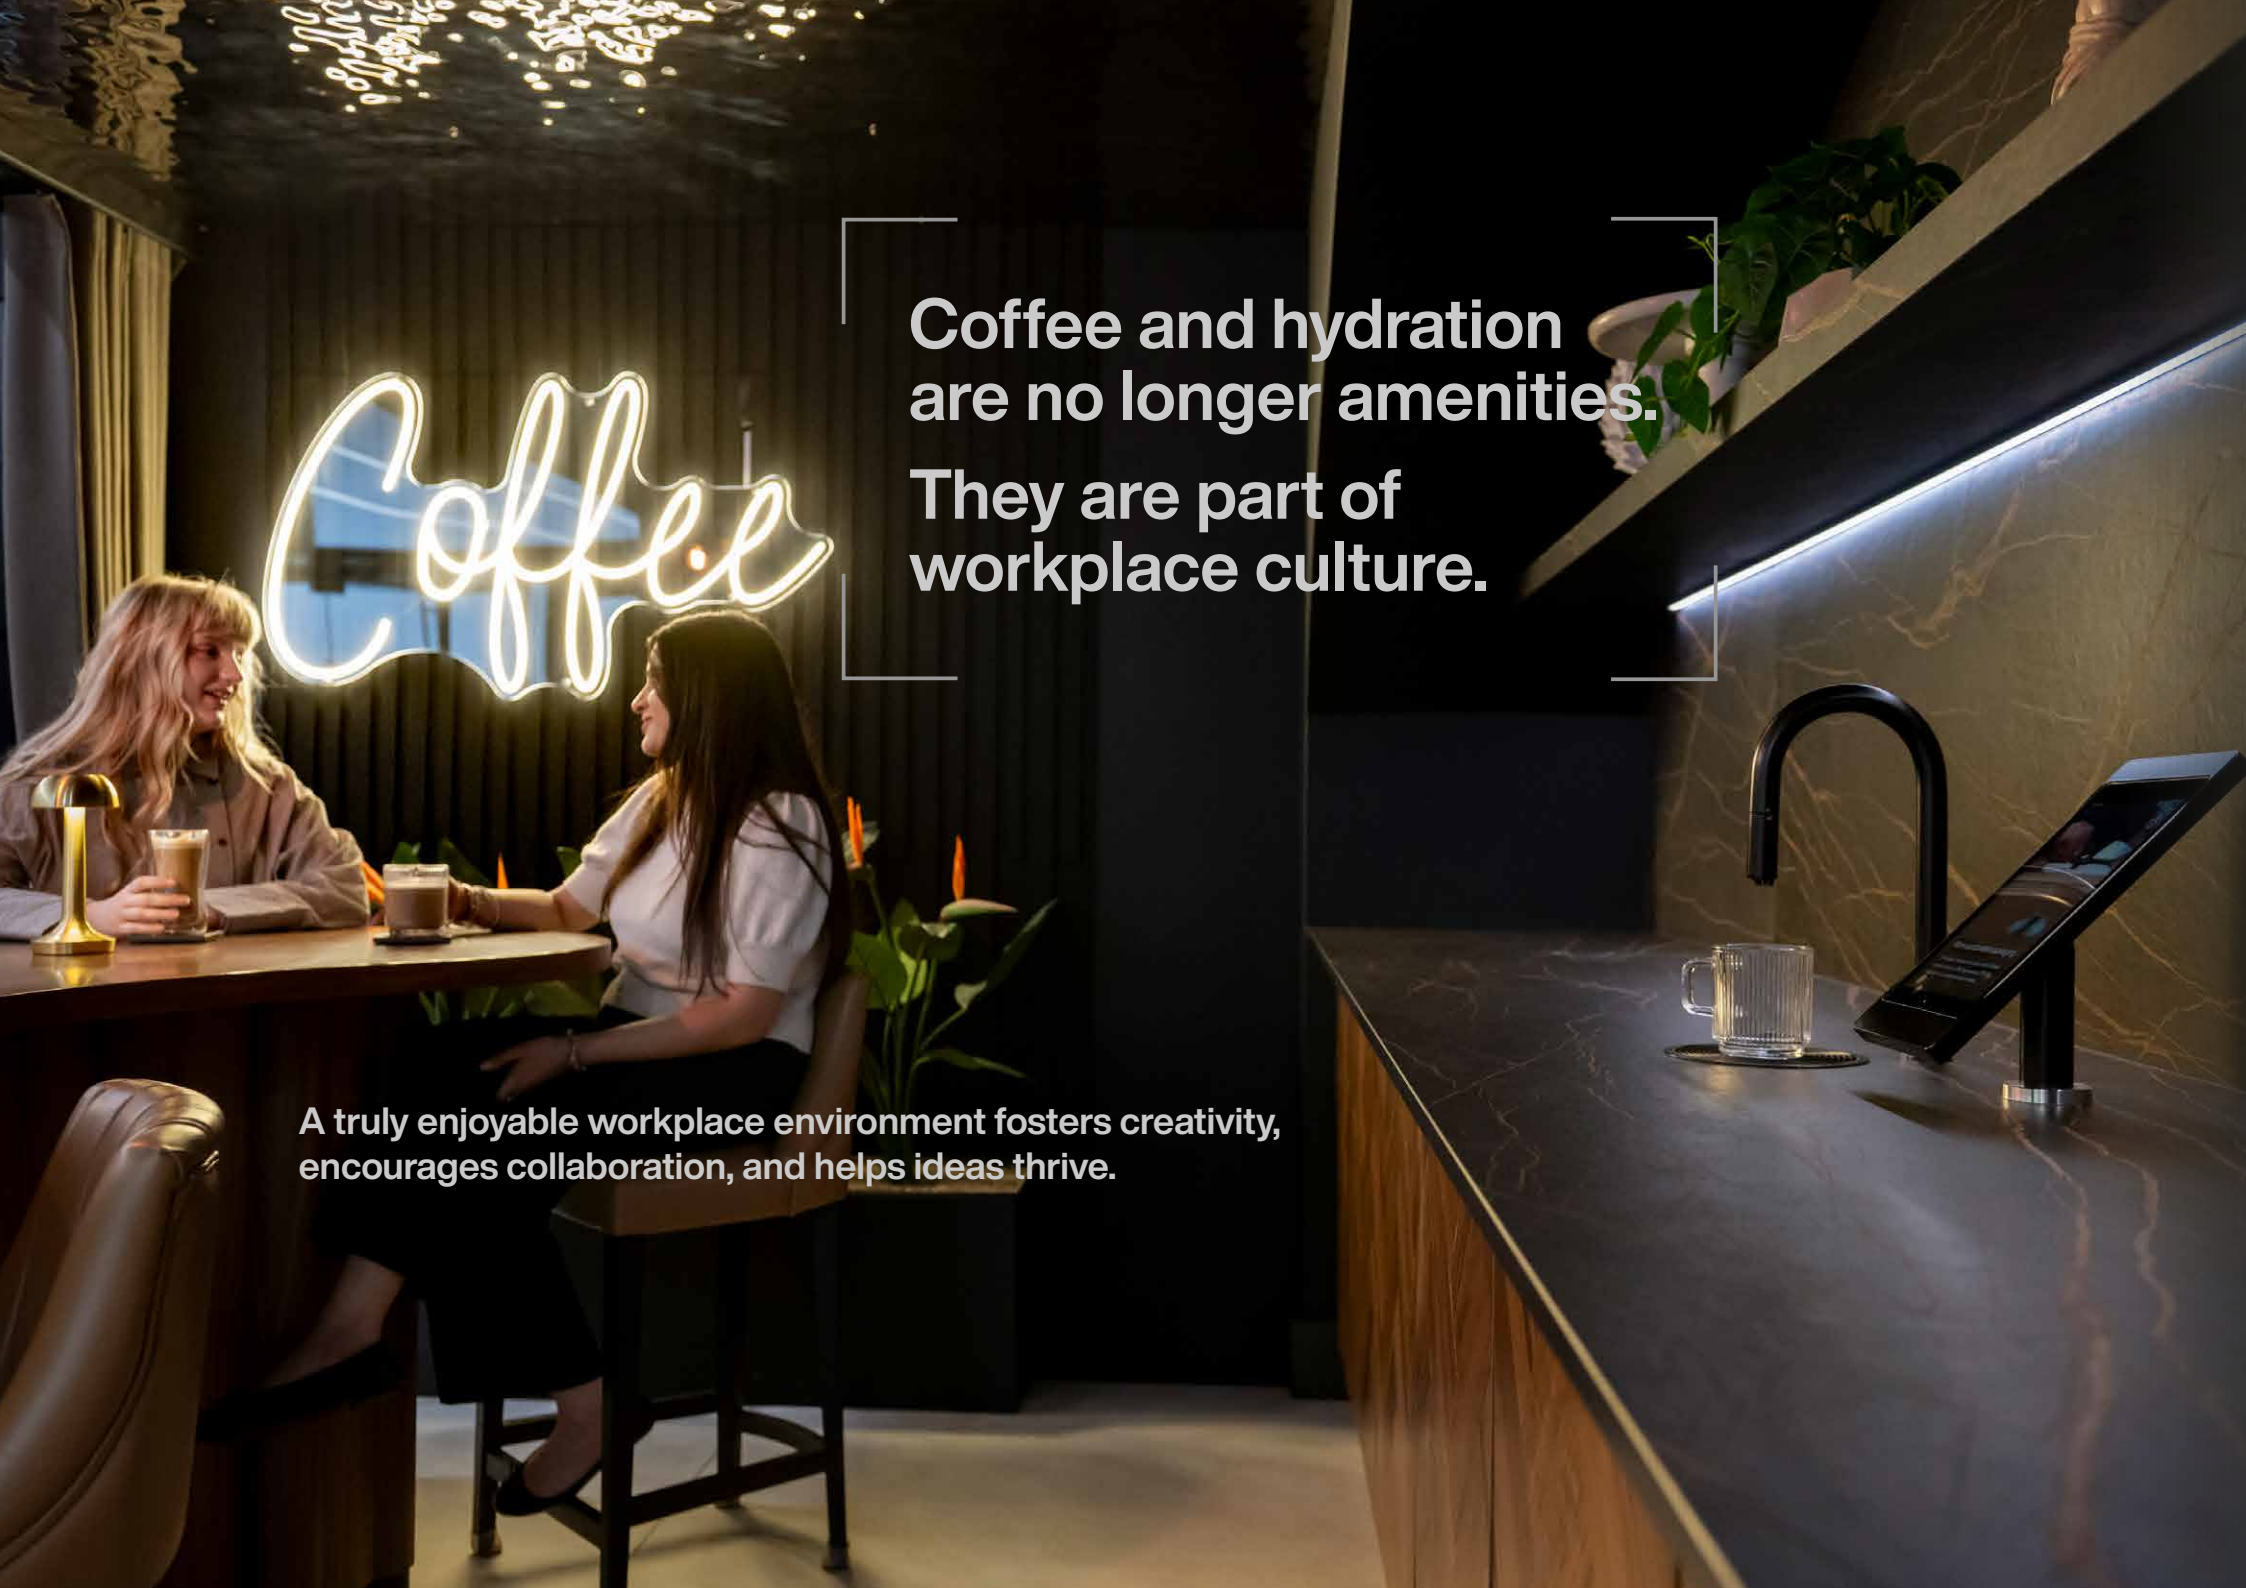

38% *(over 1 in 3) are dissatisfied with coffee tea & refreshment facilities in the office.

Why TopBrewer?

- Show employees you care
- Create moments worth staying for
- Encourage spontaneous interaction
- Attract and retain top talent
- Strengthen employee/guest experience
- Align your sustainability goals
- Reinforce premium brand perception

Coffee and hydration
are no longer amenities.

They are part of
workplace culture.

A truly enjoyable workplace environment fosters creativity,
encourages collaboration, and helps ideas thrive.

The Scanomat 360° ecosystem

“We take part in every single step of the journey.”

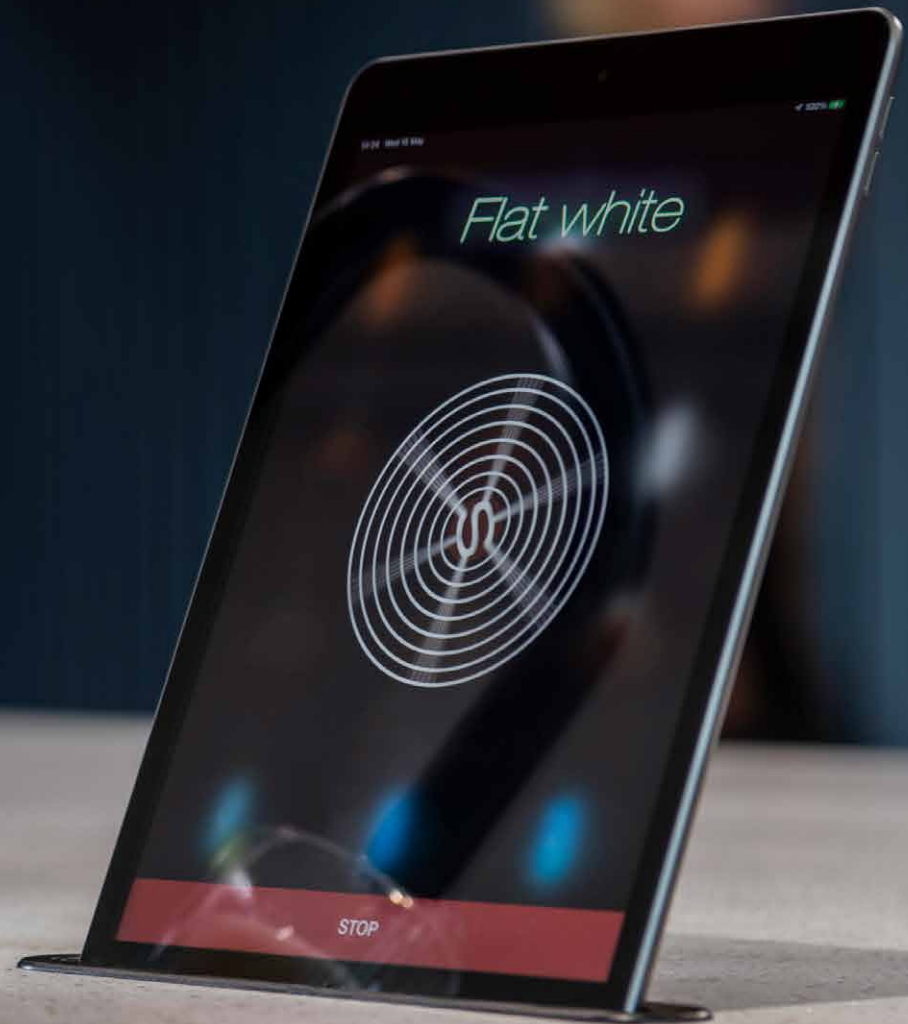

Kim Vibe Petersen, CEO Scanomat.

One circular design and experience-led beverage platform.

01. Research & Design
02. Manufacturing
03. Smart Technology
04. Coffee Sourcing & Roasting
05. In-house Technicians
06. Barista visits
